

ARBÓREA INTELLBIRD PARTICIPA EN LA WINDEUROPE 2019

Arbórea Intellbird participates in the WindEurope 2019

The European wind industry meets in Bilbao, one of the innovation hubs of the sector. The Bilbao Exhibition Center (BEC) hosted on April 2 WindEurope 2019 Conference & Exhibition organized by the European wind association. This event, opened by King Felipe VI, will bring together more than 7,000 professionals and 300 exhibitors from 50 countries.

The CEO of Iberdrola Renovables Xavier Viteri and that of Arbórea Intellbird Carlos Bernabéu show to his majesty Felipe VI the disruptive technology for the digital inspection of wind turbine blades jointly developed by both companies in the Scientific Park of the University of Salamanca.
